

The TEARS Foundation is a 501(c) 3 non-profit that compassionately seeks to lift a financial burden from bereaved parents who lose a baby between 20 weeks gestation to under 1 year of age by providing funeral funds. We have been in the state of Washington since 2002 and are pleased to announce an Oregon Chapter.

We work directly with cemeteries, funeral homes, hospitals and other social service providers who refer families. When you come in contact with a family who seems to have no other resource to turn to for their infant's funeral then you may go to our website, fill out our application, fax it back and if all guidelines are met funds will be released.

Get involved with this compassionate cause by becoming a volunteer, donating or attending an event. We rely on caring members of our community to be able to offer assistance to families. Visit us online at www.thetearsfoundation.org.
